To Whom it May Concern,

I am writing to recommend Hunter Bailey for employment. I have known Hunter for 2 years as a colleague at Carbon Robotics and have nothing but positive things to say. There is no doubt in my mind that Hunter will be an excellent addition to any team he enters.

I have always known Hunter to be of sound character, being conscientious, creative, disciplined, persistent, resilient in times of adversity, and has a great sense of ambition. Over the Course of 2 years I have witnessed tremendous growth in Hunter's communication, leadership, organization, teamwork, and problem solving. I am confident these cultivated skills will allow Hunter to Excel in any role he applies for.

In my time with Hunter, his ability to learn roles outside of his scope of work is nothing but astounding. He is one of the hardest working individuals I have ever met. His ability to foster relationships outside of his department has been a key factor to our company's growth, and our ability to say we have one of the best service departments in the industry. I am sad to see him go but I know whatever company he ends up with will be very lucky to have him!

Please do not hesitate to contact me at [REDACTED] or [REDACTED] if you have any further questions or requests.
